BAREFOOT IN THE PARK Neil Simon's Hilarious Smash

Saturday June 28, 2008

Another side-splitting romp from the undisputed king of Broadway comedies - Neil Simon. We start with two young newlyweds starting married life out in one of New York's most off beat and hilarious apartment buildings. And when we add the bride's proper mother and the dashing, bohemian upstairs neighbor it's a recipe for a rollicking romantic adventure that will keep you laughing all night long. The laughs are non-stop in this smash Broadway hit. **Made famous By The Movie Starring: Robert Redford and Jane Fonda.**
